| Light colour options        | CCT                                             |

|                       |                       |
|-----------------------|-----------------------|
| Luminous Flux (Lumen) | 9100lm                |
| Lumen per watt        | 140                   |
| Power factor          | >0.90                 |
| Length                | 150cm                 |
| Product Type Category | LED Waterproof Batten |

## Fixture Information

|                        |                               |
|------------------------|-------------------------------|
| Mounting Method        | Surface                       |
| Fixture Connection     | PI [Push-in connector 5-pole] |
| IP-Rating              | IP65                          |
| Impact Protection (IK) | IK10 - 20 joules              |
| Operating Temperature  | -20 to +40                    |
| Housing                | PC (Polycarbonate)            |
| Colour of the Fixture  | Grey                          |
| Emergency Lighting     | 3H Emergency Light            |
| Series                 | Poseidon                      |

## Dimensions

|             |      |
|-------------|------|
| Length (mm) | 1560 |
| Width (mm)  | 80   |
| Height (mm) | 75   |

## Sensor Information

## Why Any-lamp?

|                                                                                                                                                                                                                                                                   |           |
